Town of West Seneca, New York

separation center for troops being discharged following World War II from September through November 1945 / Communications, refrigeration, air conditioning, and power production operator and repairman training were transferred to Sheppard in 1959

Wright-Patterson AFB, Dayton, Ohio - The base began with the establishment of Wilbur Wright Field in May 1917 / Wright-Patterson AFB was established in 1948 as a merger of Patterson and Wright Fields / The base is one of the largest, most diverse, and organizationally complex bases in the Air Force with a long history of flight tests spanning from the Wright Brothers into the Space Age / Wright-Patterson is also the headquarters of the Aeronautical Systems Center and the Air Force Research Laboratory

Tan Son Nhut Air Base, Saigon, Vietnam - Located near the city of Saigon in southern Vietnam, the French Colonial government of Indochina constructed a small unpaved airport in the 1920s, known as Tan Son Nhat Airfield / During the Vietnam War (1959-1975), Tan Son Nhut was a major United States base for Army, Air Force, Navy, and Marine units / As the headquarters for the South Vietnamese Air Force, Tan Son Nhut was primarily a command base, with most operational units using nearby Bien Hoa Air Base.

Offutt AFB, Omaha, Nebraska - The base was named to honor First Lieutenant Jarvis Jennes Offutt (26 October 1894 – 13 August 1918), the first native of Omaha to become a casualty in World War I / Lieutenant Offutt died of injuries sustained when his SE-5 fighter crashed during a training flight near Valheureux, France / In November 1948, Offutt became the host base for Headquarters Strategic Air Command (SAC) / During the Cold War, a general and various support personnel from the base were airborne 24-hours a day on an EC-135 from February 1961 to July 1990 in Operation Looking Glass, creating an airborne command post in case of war / Operation Looking Glass carried out its mission without any mishaps or incidents during its 29 years of existence / Offutt AFB's legacy includes the construction of the first two bombers to drop atomic bombs and over 40 years as the headquarters for the former Strategic Air Command (SAC) and home for its associated ground and aerial command centers for the U.S. in case of nuclear war during the Cold War

Miscellaneous:

James E. Manley graduated from Kenmore East Senior High School in 1966 / Prior to joining the U. S. Air Force, Manley worked in the Mail Room at Merchants Mutual Insurance Company / After an Honorable Discharge, Manley returned to Merchants as a Computer Operator / In 1980, Manley went to work for Biel's Micorofilm Corp as the Production Manager until downsizing in 1995 / With a Certificate in Records management, Manley went to work in the West Seneca Town Clerk's Office in 1997 until his retirement in 2010 / Manley graduated from Erie Community College (ECC) in 2003 with a degree in Computer Information Systems / James Manley is an active member of American Legion Post 735, Veterans of Foreign Wars (VFW) and the West Seneca Veterans Committee

Originally part of the 1062nd USAF Communications Squadron, the squadron was redesignated as the 2046th Communications Squadron at Wright-Patterson AFB in January 1953 / The 2046th supported the mission of the Military Airlift Command (MAC)
