Light Weapons Infantryman lack heavy weapons and armor or with a reduced vehicle footprint / Light infantry units lack the greater firepower, operational mobility and protection of mechanized or armored units, but possess greater tactical mobility and the ability to execute missions in severely restrictive terrain and in areas where weather makes vehicular mobility difficult / Light infantry forces typically rely on their ability to operate under restrictive conditions, surprise, violence of action, training, stealth, field craft, and fitness levels of the individual soldiers to compensate for their reduced lethality / Despite the usage of the term "light", forces in a light unit must carry everything they require to fight, survive and win due to lack of vehicles

The 1st Cavalry Division ("First Team") is a combined arms division and is one of the most decorated combat divisions of the United States Army / It is based at Fort Cavazos, Texas and was formed in 1921 / The 1st Cavalry Division has served during World War II, the Korean War, the Vietnam War, the Persian Gulf War, with the Stabilization Force in Bosnia-Herzegovina, in the Iraq War, in the War in Afghanistan as well as Operation Freedom's Sentinel and Operation Inherent Resolve / The unit is unique in that it has served as a horseback cavalry division until 1943, an infantry division, an air assault division and an armored division during its existence / The 1st Cavalry was deployed to Nha Trang, Vietnam in 1965 and 26 March 1971 officially marked the end of duties in Vietnam for the 1st Cavalry Division / The service of the 1st Cavalry Division in the Vietnam War was not without a price / As a grim reminder of their remarkable legacy, the 1st Cavalry Division experienced casualties of 26,592 Wounded and 5,464 Killed In Action

The 7th Cavalry Regiment is a United States Army cavalry regiment formed in 1866 / Its official nickname is "Garryowen", after the Irish air "Garryowen" that was adopted as its march tune / The regiment participated in some of the largest battles of the Indian Wars, including its famous defeat at the Battle of Little Bighorn, where its commander Lieutenant Colonel George A. Custer was killed / The 7th Cavalry became part of the 1st Cavalry Division in the 1920s, it went on to fight in the Pacific Theater of World War II and took part in the Admiralty Islands, Leyte and Luzon campaigns / It later participated several key battles of the Korean War / The unit later participated in the Vietnam War / The 1st and 2nd Battalions of the 7th Cavalry fought in one of the first American engagements of the Vietnam War, the Battle of Ia Drang / Over the course of the war, seven men earned the Medal of Honor while serving with the 7th Cavalry in Vietnam / It distinguished itself in the Gulf War and in the Global War on Terror where its squadrons and battalions now serve as Combined Arms Battalions or as reconnaissance squadrons for Brigade Combat Teams in Iraq and Afghanistan

The Purple Heart was instituted in 1782 by George Washington and is the first and oldest military American decoration / The Purple Heart is awarded to military service members wounded or killed in action, in the latter case posthumously

The Vietnam Service Medal is a military award of the United States Armed Forces established on 8 July 1965 by order of President Lyndon B. Johnson / The medal is awarded to recognize service during the Vietnam War by all members of the U.S. Armed Forces provided they meet the award requirements / Bronze Service stars were awarded to all services for participation in designated campaigns

The Combat Infantryman Badge (CIB) is a United States Army military decoration. The badge is awarded to infantrymen and Special Forces soldiers in the rank of colonel and below, who fought in active ground combat while assigned as members of either an Infantry or Special Forces unit of brigade size or smaller at any time after 6 December 1941

A Marksmanship Badge is a U.S. military badge or a civilian badge which is awarded to personnel upon successful completion of a weapons qualification course (known as marksmanship qualification badges) or high achievement in an official marksmanship competition (known as marksmanship competition badges) / The U.S. Army and the U.S. Marine Corps are the only military services that award marksmanship qualification badges / The U.S. military marksmanship qualification badges are awarded in three grades (highest to lowest): expert, sharpshooter, and marksman while their marksmanship competition badges are awarded in three to four grades (highest to lowest): distinguished, silver, and bronze for the U.S. Army and distinguished, gold, silver, and bronze for the Marine Corps

The Army's Basic Parachutist Badge is awarded to all military personnel of any service who complete the US Army Basic Airborne Course at Fort Benning, Georgia / It signifies that the soldier is a trained military parachutist, and is qualified to participate in airborne operations

The Presidential Unit Citation, originally called the Distinguished Unit Citation, is awarded to units of the United States Armed Forces for extraordinary heroism in action against an armed enemy on or after 7 December 1941

The Republic of Vietnam Gallantry Cross Medal, also known as the Vietnamese Gallantry Cross or Vietnam Cross of Gallantry is a military decoration of the former Government of South Vietnam (Republic of Vietnam) / The medal was created on August 15, 1950 and was awarded to military personnel, civilians, and Armed Forces units and organizations in recognition of deeds of valor or heroic conduct while in combat with the enemy / Individuals who received the medal, ribbon, and a citation were personally cited at the Armed Forces, Corps, Division, Brigade or Regiment level / The United States military began authorizing the Republic of Vietnam Gallantry Cross in March 1968 with retroactive presentation of the decoration to 1961

units lack the greater firepower, operational mobility and protection of mechanized or armored units, but possess greater tactical mobility and the ability to execute missions in severely restrictive terrain and in areas where weather makes vehicular mobility difficult / Light infantry forces typically rely on their ability to operate under restrictive conditions, surprise, violence of action, training, stealth, field craft, and fitness levels of the individual soldiers to compensate for their reduced lethality / Despite the usage of the term "light", forces in a light unit must carry everything they require to fight, survive and win due to lack of vehicles

The 101st Airborne Division (Air Assault) ("Screaming Eagles") is a light infantry division of the United States Army that specializes in air assault operations / It can plan, coordinate, and execute multiple battalion-size air assault operations to seize terrain / These operations can be conducted by mobile teams covering large distances, fighting behind enemy lines, and working in austere environments with limited or degraded infrastructure / Established in 1918, the 101st Division was first constituted as an airborne unit in 1942 / During World War II, it gained renown for its role in Operation Overlord (the D-Day landings and airborne landings on 6 June 1944, in Normandy, France); Operation Market Garden; the liberation of the Netherlands; and its action during the Battle of the Bulge / From 1965 to 1967, the 1st Brigade operated independently as sort of a fire brigade and earned the reputation as being called the "Nomads of Vietnam" / They fought in every area of South Vietnam from the Demilitarized Zone up north all the way down the Central Highlands / The rest of the 101st was deployed to Vietnam in November 1967 and the 1st Brigade rejoined its parent division / The 101st was deployed in the northern I Corps region, operating against the People's Army of Vietnam (PAVN) infiltration routes through Laos and the A Shau Valley for most of the war / Notable among these were the Battle of Hamburger Hill in 1969 and Firebase Ripcord in 1970 / The division began withdrawing from South Vietnam on 15 May 1971 with the departure of the 3rd Battalion, 506th Infantry / Most major units of the Division had redeployed by January 1972 / In the seven years that all or part of the division served in Vietnam, it suffered 4,011 killed and 18,259 wounded in action / The division, during this time, participated in 12 separate campaigns and 17 of the division's Medal of Honor recipients are from this period of time – all this giving the 101st Airborne Division a combat record unmatched by any other division

The 502nd Infantry Regiment (502nd IR), previously titled the 502nd Parachute Infantry Regiment (502nd PIR), is an infantry regiment of the United States Army / The regiment was established shortly after U.S. entry into World War II, and was assigned as a regiment of the 101st Airborne Division / "The Screaming Eagles", one of the most decorated formations of the U.S. Army / The regiment saw substantial action in the European Theater of World War II and was inactivated in 1945, shortly after the end of the war / Reactivating in a new form in 1956, the 502nd Infantry has served in the Vietnam War, the Persian Gulf War, Iraq War, War in Afghanistan, and Operation Inherent Resolve in Iraq / The 2d Battalion, 502d Infantry was deployed to South Vietnam in April 1965 and left Vietnam in December 1971 / Since 1974, the regiment has been classified as an Air Assault unit

The Purple Heart was instituted in 1782 by George Washington and is the first and oldest military American decoration / The Purple Heart is awarded to military service members wounded or killed in action, in the latter case posthumously

The Vietnam Service Medal is a military award of the United States Armed Forces established on 8 July 1965 by order of President Lyndon B. Johnson / The medal is awarded to recognize service during the Vietnam War by all members of the U.S. Armed Forces provided they meet the award requirements / Bronze Service stars were awarded to all services for participation in designated campaigns
