The purpose of the West Seneca Veterans Memorial Park is to honor the veterans who have served the United States by giving their time and, some ultimately, their lives in military service of their country. This Memorial Park will hold before present and future generations the principle that freedom is not free and that free people must always be prepared to defend that freedom at whatever cost. The Memorial Park is meant to inspire visitors and instill a sense of pride and respect for all veterans who have served in the United States military.

1. Named person must be a Veteran, living or deceased, of any branch of the United States Military: Army, Marine Corps, Navy, Air Force, Coast Guard, or Merchant Marines; serving during peacetime or wartime in any conflict.
