

AMVETS 8113  
NEWSLETTER  
JUNE 2024

**COMMANDER'S MESSAGE**

Hi Everyone. I would like to thank everyone for electing me for a new term as Commander for Post 8113. As a Past Commander 8 years ago, I am happy to take the lead again. I would like to thank Frank Weber for his wonderful lead of keeping our Post together for the last 8 years. He has done an excellent job and there is no room for improvement. My main objectives to keep our Post alive and well. With the help of our members we can exist a long time. I need all the help that our members can give. Donations, scholarships and grants will be our utmost concern. Veterans helping Veterans is the most important thing. As always, I am looking forward to leading, and am open to suggestions from any member. All of us are getting older and things are not getting easier as noted by information from the State Department. Reports are getting harder as today everyone wants to do away with paper. We have to change with the times and keep up to date. The latest from National is to change our reporting system and hopefully it will return to an easier method. They are progressing as I write this newsletter and it is looking a lot better. Anyhow, lets start out with a positive attitude and keep our Post alive.
