**COMMANDER'S MESSAGE**

Well March is approaching with the hope of better weather, a tough winter as we had 53 days that it snowed and 1 day it didn't. Now its melting with hope to see some grass . Things at the post are good with some donations are in order . I plan on going to the SEC meeting in March and find out what is happing to the Foundation , the grant program etc. . Hopefully they will be able to reinstate some of the things they eliminated. I will keep our member informed by newsletter and at our next meeting. Would be nice to have more members attend , see you there. Also the time is coming we have to think about the election of officers .Starting in March nominations begin.

Well, we are finally getting down to the end of a winter filled with lots of snow and frigid temperatures. We can finally look forward to warmer and sunny days. Our next meeting is March 26<sup>th</sup> at 7 pm. Hope to see as many as possible at this meeting. Also, start thinking about nominations of officers for the coming year.
