Gunner's Mates were responsible for the operation and maintenance of torpedo systems, gun mounts, and other ordnance equipment, as well as small arms and magazines / Gunner's Mates worked with electrical and electronic circuitry; mechanical, hydraulic and pneumatic systems

The USS Kasaan Bay (CVE-69) was a Casablanca class escort carrier and served in the Atlantic and Pacific campaigns / During the invasion of southern France, the Kasaan Bay carried out a variety of missions in support of the landings and fighting inland / In January 1945, the Kasaan Bay was assigned to the Pacific Fleet and sailed to Pearl Harbor, Guam, and Ulithi with planes and replacements for other ships of the Fast Carrier Task Force / Commissioned on 4 December 1943 and decommissioned on 6 July 1946

Liberty ships were named after prominent (deceased) Americans, starting with Patrick Henry and the signers of the Declaration of Independence / The Hill was named after James Jerome Hill (16 September 1838 - 29 May 1916), who was a Canadian-American railroad executive / He was the chief executive officer of a family of lines headed by the Great Northern Railway, which served a substantial area of the Upper Midwest, the northern Great Plains, and Pacific Northwest / Because of the size of this region and the economic dominance exerted by the Hill lines, Hill became known during his lifetime as The Empire Builder

The Liberty ships, a vast new fleet for the war effort, were built in a national "Virtual Shipyard" that harnessed

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

skills, resources, and facilities all across America / From 1941 to 1945, the United States increased its shipbuilding capacity by more than 1,200% and produced over 2,700 Liberty Ships, 800 Victory Vessels, 320 T-2 Tankers, and various other commercial and naval auxiliary vessels for a total of 5,200 ships constructed for the period / A Liberty ship was designed to carry about 10,000 tons of cargo, but in wartime conditions often carried much more / Liberty ships were nicknamed "ugly ducklings" by President Franklin Delano Roosevelt

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had performed military duty in the American Theater of Operations during World War II / The requirements for the American Campaign Ribbon were for service within the American Theater between 7 December 1941 and 2 March 1946 / The American Campaign Medal was issued as a service ribbon only for the entirety of the Second World War, and was only made a full-sized medal in 1947

The World War II Victory Medal was first issued as a service ribbon referred to as the "Victory Ribbon" / By 1946, a full medal had been established which was referred to as the World War II Victory Medal / The medal commemorates military service during World War II and is awarded to any member of the United States military, including members of the armed forces of the Government of the Philippine Islands, who served on active duty, or as a reservist, between 7 December 1941 and 31 December 1946

The 289th Infantry Regiment was activated 15 April 1943 at Fort Leonard Wood, Missouri and fought in the Rhineland, Ardennes-Alsace and Central Europe campaigns

Infantry refers to soldiers moving and fighting on foot, armed with hand weapons such as rifles, machine guns, grenades, mortars, etc.

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

The Silver Star Medal is the third highest military decoration for valor that can be awarded to any person serving in any capacity with the United States Armed Forces / The medal is awarded for gallantry in action against an enemy of the United States

The Purple Heart was instituted in 1782 by George Washington and is the first American decoration / Originally it

West Seneca Answers the Call to Arms Residents in World War II

Technician Fifth-Grade (Corporal) William H. Robinson served from 1944 to 1946 in the European Theater with the 70th Infantry Division, Company "C", 275th Regiment / Corporal Robinson was awarded the Bronze Star for heroics on the battlefield and earned 3 Battle Stars for combat action / Corporal Robinson received the Purple Heart with Oak Leaf Cluster for wounds suffered in battle / Corporal Robinson was also assigned to the 1144th Labor Supervision Company

Base Assignments:

Miscellaneous:

In World War II, the 3rd Infantry Division landed with Gen. Patton's task force in a contested amphibious landing on the coast of Morocco, North Africa overwhelming Vichy French defenders in November 1942 / In 1943, the division invaded Sicily in July, and invaded Italy at Salerno in September, before fighting in France and finally Germany / The division suffered the highest casualty rate of any American Division in World War II / Its exploits are aptly illustrated by its Medal of Honor recipient Audie Murphy, featured in the Hollywood movie, "To Hell and Back"

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

Battle (Combat) Stars were presented to military personnel who were engaged in specific battles in combat under circumstances involving grave danger of death or serious bodily injury from enemy action

The Bronze Star Medal is the fourth-highest individual military award and the ninth-highest by order of precedence in the US Military / It may be awarded for acts of heroism, acts of merit, or meritorious service in a combat zone

The Purple Heart was instituted in 1782 by George Washington and is the first American decoration. Originally it was awarded for bravery in action, currently it is awarded to those wounded or killed in action

The World War II Victory Medal was first issued as a service ribbon referred to as the "Victory Ribbon" / By 1946, a full medal had been established which was referred to as the World War II Victory Medal / The medal commemorates military service during World War II and is awarded to any member of the United States military, including members of the armed forces of the Government of the Philippine Islands, who served on active duty, or as a reservist, between 7 December 1941 and 31 December 1946

The Combat Infantryman Badge is awarded to infantrymen and Special Forces Soldiers in the rank of Colonel and below, who personally fought in active ground combat while assigned as members of an infantry, Ranger or Special Forces unit, of brigade size or smaller, any time after 6 December 1941

The Army of Occupation Medal is a military award of the United States military which was established by the United States War Department on 5 April 1946 / The medal was created in the aftermath of the Second World War to recognize those who had performed occupation service in Germany, Italy, Austria, or Japan / The original Army of Occupation Medal was intended only for members of the United States Army, but was expanded in 1948 to encompass the United States Air Force shortly after that service's creation / The Navy and Marine equivalent of the Army of Occupation Medal is the Navy Occupation Service Medal

A Marksmanship Badge is a military badge of the United States Armed Forces presented to personnel upon successful completion of a weapons qualification course or high placement in an official marksmanship competition / The U.S. Military's Marksmanship Qualification Badges are awarded in three grades (highest to lowest): Expert, Sharpshooter, and Marksman

The Good Conduct Medal is one of the oldest military awards of the United States Armed Forces / The Navy Good Conduct Medal was established in 1869, the Marine Corps version in 1896, the Coast Guard version in 1923, the Army version in 1941, and the Air Force version in 1963 / The medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years of "honorable and faithful service" / Such service implies that a standard enlistment was completed without any non-judicial punishment, disciplinary infractions, or court martial offenses

Machinist Mate Third-Class Harold L. Rothenberger graduated with honors from U.S. Navy Diesel School at Norfolk, Virginia

Base Assignments:

Pensacola Naval Air Station (Pensacola, Florida) - Air Station was the primary training base for all Navy, Marine and Coast Guard aviators and Naval Flight Officers during World War II / Naval aviators from Pensacola NAS were called upon to train the Doolittle Raiders at Eglin Field in 1942 in carrier take-offs in their B-25 Mitchell bombers

Norfolk, Virginia - The aviation service school at Norfolk offered courses in metalsmith work, engine repair, radio repair and ordnance / The advanced base aviation training unit helped sailors develop the skills necessary to maintain all types of aircraft at advanced bases in combat area / The aircraft they completed went to the fleet pool for distribution to squadrons in the process of commissioning

Miscellaneous:

Machinist's Mates were responsible for the continuous operation of the many engines, compressors, gears, refrigeration, and air-conditioning equipment along with other types of machinery onboard ships and shore installations / Responsible for the ship's steam propulsion and auxiliary equipment and the outside (deck) machinery

In the years from 30 June 1943 to 30 June 1945 the Medical Department trained 189 General Hospitals, 74 Field Hospitals and 61 Station Hospitals for overseas service / In 1945, when the peak of overseas shipments occurred, the War Department sent 81 General, 35 Field, and 8 Station Hospitals to the various Theaters of Operations (European, African and Asiatic-Pacific) / By May 1945, when the peak in Hospital beds overseas was reached, there were 335,000 fixed beds and about 87,000 mobile beds in all Theaters

LST 626 (Landing Ship, Tank or tank landing ship) was commissioned on 15 July 1944 / During World War II, LST-

Shipfitter Third-Class Kenneth Rothenberger served on the USS C. K. Bronson for 15 months and on the USS Comfort for 10 months / Shipfitter Kenneth Rothberger earned 9 Battle Stars for combat action in the Pacific

Base Assignments:

Sampson, New York - In the three-and-a-half years of its operation during World War II, the Sampson Naval Training Station trained 411,429 naval recruits before closing in 1946 / The camp was named in honor of a local Seneca County native, Rear Admiral William T. Sampson, from Palmyra, New York, a hero of the Battle of Santiago during the Spanish-American War

Miscellaneous:

A Shipfitter worked on materials such as high-tensile steel and high yield strength steel / Shipfitters fabricated, assembled and erected all structural parts of a ship, coordinated all fixed tank work performed on submarines and ships, and coordinated all sonar dome work / Shipfitters also used heavy machinery, such as plate planners, shears, punches, drill presses, bending rolls, bending slabs, plate bevelers, saws, presses up to 750 tons, angle rolls (vertical and horizontal), dogs and wedges / Shipfitters were responsible for hydro and air testing of tanks and compartments, as well as performing grinding, drilling and fit-up operations on submarines and surface crafts

USS Clarence K. Bronson (DD-668) was a Fletcher-class destroyer of the United States Navy, named for naval aviator Lieutenant (junior grade) Clarence K. Bronson (1888–1916) / The Bronson provided screen cover for strikes supporting the landings on Kwajalein, and raids on Truk, Saipan, and Guam in 1944 / The Bronson escorted cruisers to Iwo Jima for pre-invasion bombardment and fire support to the forces ashore after the assault on 19 February 1945 / Commissioned on 11 June 1943 and decommissioned 29 June 1960

The USS Comfort (AH-6) was one of three hospital ships built, commanded and crewed by the Navy for the Army. These ships, unlike the Navy hospital ships, were intended for evacuation and transport of patients after primary care had been given. Medical equipment and personnel were provided by the Army / The Comfort received two battle stars for World War II service / Commissioned on 5 May 1944 and decommissioned on 19 April 1946

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945

Battle (Combat) Stars were presented to military personnel who were engaged in specific battles in combat under circumstances involving grave danger of death or serious bodily injury from enemy action

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had performed military duty in the American Theater of Operations during World War II / The requirements for the American Campaign Ribbon were for service within the American Theater between 7 December 1941 and 2 March 1946 / The American Campaign Medal was issued as a service ribbon only for the entirety of the Second World War, and was only made a full-sized medal in 1947

The Philippine Liberation Medal is a military award of the Republic of the Philippines presented to any service member, of both Philippine Commonwealth and allied militaries, who participated in the liberation of the Philippine Islands between the dates of 17 October 1944 and 2 September 1945 / The Philippine Liberation Medal is intended to recognize military service in the last days of World War II when the military of Japan was driven from the Philippines and then to eventually surrender in September 1945 / To be awarded the medal, a service member must have served in the Philippines for at least thirty days during the eligible time period

Base Assignments:

Camp Davis, North Carolina - Camp Davis was built by the United States Army as an anti-aircraft artillery training facility and was manned by about 20,000 officers and men

Miscellaneous:

With much of World War II fought in the air, anti-aircraft weapons were weapons that could specifically direct their offense against air targets / The mission of the Anti-Aircraft Artillery units were to detect hostile aircraft and destroy them / Radar aided anti-aircraft gunners by providing accurate information about the range, speed, and altitude of incoming enemy planes

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had
